

Interstate 94 Overpass Construction at Wright County Hwy 75 in Monticello

Traffic Impacts/Timeframes

Interstate 94

Will remain open to traffic throughout the duration of the project.

Summer 2009 to Spring 2010, crews will construct the new WB I-94 overpass just east of the current WB I-94 overpass.

Summer 2010, WB I-94 traffic will shift onto the newly constructed overpass; EB I-94 traffic will shift onto the old WB I-94 overpass as crews construct the new EB I-94 overpass.

Access Ramps at Wright County Hwy 18

Stage 1A Fall 2009

Access Ramp C from WB I-94 to Wright County Hwy 18 will be closed for temporary realignment. Old access Ramp J will be reopened for use.

Stage 1B Spring 2009

Access Ramp C from WB I-94 to Wright County Hwy 18 will be closed for pavement work; traffic will be detoured via WB I-94, Hwy 25, and Wright County Hwy 75.

Stage 2A Early Summer - Fall 2010

Access Ramp D from Wright County Hwy 18 to EB I-94 will be closed as crews construct the new EB I-94 overpass. Traffic will be detoured via Chelsea Rd and Hwy 25.

Wright County Hwy 75/Broadway Street

Crews will reconstruct and realign Broadway Street underneath the overpasses. Motorists may encounter single-lane closures, lane shifts or a short-term road closure with a signed detour.

Work

July 2009 - November 2010

During this project crews will:

- Construct two I-94 overpasses
- Realign WB I-94 to the new overpass
- Pave a new black-top surface on I-94 before-and-after the new overpasses
- Reconstruct ramps C and D
- Remove ramps J and K
- Reconstruct Wright County Hwy 75 underneath the overpasses
